Hi Wil,

I would actually like to talk with you about this. Are you available either today (Tuesday) after 1pm or Wednesday afternoon after about 1:30pm? I keep strange hours so I probably won't see any reply until noon on Tuesday.

Thanks,

Nancy

I'm actually sending emails to him and all the City Councilors about this issue, but I feel so strongly about it, that I would like to voice my feelings in person if he is willing to listen.
